Re: Transfer of Small Mining Permit, Treasure Chest 5-8 Project from Shayne Crapo (S/023/052) to Loy Crapo (S/023/028), Juab County, Utah

Dear Mr. Crapo:

On April 15, 1998, the Division received a Transfer of Notice of Intention for Small Mining Operations from Loy Crapo transferring the Treasure Chest #5-8 from Shayne Crapo. The Division Director approved and signed the transfer with the effective date of April 17, 1998. A copy is enclosed for your records.

You are now the party responsible for all mining and reclamation of the Treasure Chest Project. Shayne's permit for this project was filed under DOGM file number S/023/052. As Shayne's project area is located immediately adjacent to your Treasure Chest 1-4 Project, the Treasure Chest 5-8 permit will now be amended to your project file (S/023/028).

This letter officially releases Shayne Crapo from any further mining and reclamation responsibility at the Treasure Chest 5-8 Project and his file S/023/052 is hereby officially closed. A copy of this letter and signed transfer form is being sent to Shayne.

If you have any questions regarding this letter please contact me at (801) 538-5286 or Tom Munson at 538-5321.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
